fund available for making these payments.

[39 FR 27649, July 31, 1974, as amended at 42 FR 2957, Jan. 14, 1977; 43 FR 20007, May 10, 1978; 62 FR 58654, Oct. 30, 1997. Redesignated and amended at 62 FR 58654, Oct. 30, 1997]

§ 212.6 Ingress and egress.

(a) *Policy in acquiring and granting access.* To assure effective protection, management, and utilization of lands administered by the Forest Service and intermingled and adjacent private and public lands, and for the use and development of the resources upon which communities within or adjacent to the National Forests are dependent, the Chief shall as promptly as is feasible obtain needed access thereto and shall grant appropriate access across National Forest and other lands and easements administered by the Forest Service to intermingled or adjacent landowners. Construction, reconstruction or maintenance of a road or highway requires written authorization.

(b) *Actual settlers and other persons residing within the National Forests and other areas administered by the Forest Service.* Actual settlers and other persons residing within the National Forests and other areas administered by the Forest Service shall be permitted ingress and egress over the same and use of existing forest development roads and trails in order to reach their homes and to utilize their property: Provided, such ingress and egress or use shall conform to rules and regulations governing the protection and administration of the lands and the roads or trails to be used.

(c) *Others.* Entering upon the National Forests and other lands administered by the Forest Service and use of existing forest development roads and trails shall be permitted for all proper and lawful purposes subject to compliance with rules and regulations gov-

erning the lands and the roads or trails to be used.

§ 212.7 Access procurement by the United States.

(a) *Existing or proposed forest development roads which are or will be parts of a system of a State, county, or other local subdivision.* Forest development roads which are or will be parts of a road system of a State, county, or other local subdivision and are on rights-of-way held in the name of the State, county, or other local subdivision may be constructed, reconstructed, improved or maintained by the Forest Service when there is an appropriate agreement with the State, county, or other local subdivision under authority of 23 U.S.C. 205: *Provided*, Such construction, reconstruction, improvement, or maintenance is essential to provide safe and economical access to the National Forests and other lands administered by the Forest Service.

(b) *Acquisition of easements and rights of use.* Except as otherwise provided in the regulations of this part, easements for road and trail construction across non-Federal lands and easements or rights of use over non-Federal roads and trails will be acquired in the name of the United States of America and its assigns. The easements or rights of use may be acquired by purchase, condemnation, donation, or as a reciprocal for permits or easements for roads or trails to be constructed or for easements over or permits to use existing roads or trails.

(c) *Methods of compensation for easements and rights of use acquired by the*
